Welcome to Hinstock Manor

Hinstock Manor care home is set in pleasant surroundings in the village of Hinstock, between Newport and Market Drayton. The home combines a cosy Georgian manor house with a light, bright contemporary wing, to give a blend of modern convenience and period character.

A warm, welcoming atmosphere means new residents settle in quickly and soon feel at home.

Our Facilities

Bedrooms

Hinstock Manor has 48 single rooms (most ensuite) and two one-bedroom apartments with kitchen, living room and wet room. Most rooms have views over the village.

You can use our bedroom furniture, or you can bring your own (as long as it meets fire regulations), and you can make the room homely with photos and other personal items.

Where people are at risk of falling, we can provide sensor equipment that alerts staff immediately of any fall.

If you use any walking aids, then please bring them with you.

Moving in

Moving into a care home is a big step, and we find that the more homely the new bedroom, the sooner people settle in. Taking time to choose what personal belongings to bring can really help.

If you are helping a loved one to move, find photos of friends and relatives that will remind the person they are loved and evoke positive memories. Make sure you put the photos where your loved one can see them easily.

Another good idea is to bring a favourite bedspread or blanket. This brings comfort and familiarity, helping create a room “just like home”, rather than a completely new and unfamiliar space.

“There is always someone around, they all come over and ask you if you are OK, if you need anything”

Memory boxes filled with personal treasures and trinkets can also be a lovely way to help people handle the change. Making the box is a valuable activity to do together as a family, and the box then provides a focus for conversations and for remembering happy times.

Please do not bring in expensive items such as jewellery, however, as they won't be covered by our insurance policy.

Life at Hinstock Manor

At Hinstock Manor, you choose how to spend your day. It's your home, and you're free to get up when you want, to come and go as you please, and to receive visitors just as you always have done. Visitors are welcome at any reasonable time, and you can entertain people either in the communal areas or in your own room.

If you want to take part in activities, you'll find plenty to get involved with – but there's never any pressure to join in. If you want to sit quietly in your room or simply watch TV, that's absolutely fine. And, of course, there's always time to meet and chat with new friends.

Keep mind and body active

To help you keep mind and body active, you'll find a wide variety of activities on offer, indoors and out, here and further afield. Activities are resident-led – and suggestions are always welcome!

Activities within the home

- Growing flowers in the garden
- Exploring your creative side at arts and crafts sessions
- Socialising with people from Hinstock village
- Playing board games
- Joining in with social events such as cheese and wine parties
- Enjoying music, singing, and dancing with outside entertainers
- Having fun at special events such as our gardening competitions, best scarecrow competition, and Christmas fayre
- Taking part in faith-based activities – our local Church of England minister visits every month and ministers from other faiths are always welcome.

Perfectly balanced menus

All Springcare homes feature the same weekly menus, put together by Springcare's Catering Manager. Experienced in catering for the needs of care home residents, the cook plans every dish carefully to ensure a tasty blend of ingredients and flavours and a nutritionally well-balanced diet.

Relaxing meals in the dining rooms

In the dining room, meals are at a set time and are for residents only. This means we can make sure mealtimes are peaceful and relaxing. If you need assistance with eating or drinking, our staff will be there to help.

Flexible eating and meals with family and friends

We can also provide meals in the lounge or in your own room and, if needed, at a different time. Families and friends are welcome to eat with you.

GP and health services

If you are moving to Hinstock Manor from nearby and already have a local GP, you can keep the same doctor. We'll advise on GP services if you need to change. Dentists, opticians and chiropodists visit the home on request (charges apply for these services unless you are entitled to free NHS treatment).

"I like being able to choose what I eat, it makes it that bit more special"

"People told us they had opportunities to do things which interested them"

Trips out

Springcare have their own minibus and drivers, which means we can offer trips out at least once a month. There's something for everyone: picnics, shopping, pub lunches, garden centres, lake and canal visits, RAF Cosford, local area tours and more.

Food and drink

Our tempting home-cooked meals feature fresh, seasonal ingredients. There's always a choice of dishes, and your food will be prepared to meet your individual needs and preferences (including cultural diets). In the unlikely event there's nothing on the menu you fancy, the cook will do their best to find an alternative.

You can ask for a hot drink whenever you want one, and you'll have a jug of water or squash in your room at all times.

Our Family Circle philosophy

At Hinstock Manor – as at every Springcare home – we follow a strong ‘family circle’ philosophy based on getting to know residents as individuals and treating them as such throughout their time with us.

Before people move in, we start to find out what they like, what they don’t like, and most importantly, who they are as people. We want everyone who comes to us to feel safe and secure, respected for who they are, and valued for their life up to now. We help people maintain as much independence and privacy as possible, and encourage a sense of identity.

We believe in getting the little things right, in being kind, compassionate, and considerate – just as if we were looking after our own loved ones.

Your life, your care

We’ll talk to you and your family about your care needs and agree a care plan that sets out everything our staff need to know to make sure you get the care that’s right for you. The plan includes everything from your history and background to your preferences around bathing, when you like to get up and go to bed, how you want to be addressed, and what you like to wear and eat.

The plan is an evolving document – you can talk to us about any aspect of your care at any time.

With the plan in place, you and your friends and family can enjoy spending time together in a relaxed environment, knowing your needs are being taken care of.

There is also plenty of opportunity for you and your family to give ideas and input into the running of the home. We have two residents’ champions – one male, one female – to liaise between residents and staff. We also hold regular residents’ and relatives’ meetings as well as using questionnaires to ask for feedback.

Staffing

Our dedicated staff understand how to care for our residents and look after each person according to their individual needs. Staff spend one-to-one time with residents, making sure they are comfortable and happy. You'll have your own key worker so there will always be one person who knows you particularly well.

All staff are trained to support people with a wide range of health issues including dementia care, and have regular training to keep knowledge and skills up to date. In addition, individual staff take a lead on specialist issues such as Dignity in Care and share knowledge across the team. For complex health issues, we source specialist advice and training for staff.

When residents go out of the home environment, they are usually accompanied by staff. Keypads at doors mean we can keep people safe in the home where needed.

Trial visits

With a trial visit, you can experience life at Hinstock Manor first-hand. Come for a morning, afternoon or even a full day, take part in an activity, and join us for lunch. A family member or friend is welcome to come along too.

Financial information

All our homes welcome residents who choose to either fund their own care or to top up their government entitlements to ensure they have the very best care and support.

The cost of your care and accommodation will depend on your situation. The Hinstock Manor Manager will be happy to discuss this with you.

With changes to the way social care entitlements are calculated, many people will not qualify for government support to fund care home costs. You may be able to get help with funding if your assets are less than the 'upper capital limit' set by the government. The Age UK website at www.ageuk.org.uk has useful information on the system for paying for residential care.

We also have our Springcare Guide to Paying for Care available on our website.

Our full terms and conditions are available in our brochure pack and on our website.

You will be asked to sign the terms and conditions as well as a contract (if you are paying for any part of your care) before any admission to the home. The contract will include the full details of what is/ is not included in the fees.

“They let me volunteer sometimes to help out with tasks, I prefer to be doing something”

Welcome from the Springcare team

We would like to offer you a warm welcome to Springcare.

We understand how difficult choosing the right home can be, and we hope you will find the information in this brochure helpful. To help you take the next steps, the manager and team at Hinstock Manor are always happy to answer questions and discuss concerns. You can call and talk on the phone, or ask to come and see round the home. If you like what you see, then we'd be happy to welcome you for a trial visit to help you make your mind up.

We hope you'll decide Hinstock Manor is right for you – and if you do, we promise to make your wellbeing our priority.

“They keep you in touch with everything. They always give you a phone call and let you know if anything changes”
